

Tulsa CARES - Planned Giving

Planned giving is often seen as the highest level of support for the mission of an organization. It is typically associated with the highest level of engagement between the nonprofit and the donor. This type of investment often secures the longevity of the organization's mission. To ensure the vitality of Tulsa CARES, we must be unwavering in our efforts to deliver social services to people affected by HIV/AIDS.

With the help of legacy supporters, we can create a community where all people with HIV/AIDS have equal opportunities for healthy living. Through your own gift and legacy planning, you can make a difference in our ability to provide tailored resources and assist us in ending the HIV stigma.

Please contact us if you want to discuss how to become a legacy supporter at Tulsa CARES. We can work with you, your family and your advisors to help you create a plan that meets your financial and charitable goals while caring for your loved ones and those who are closest to you.

*To learn more about our complimentary planned giving services and how you can leave a legacy through Tulsa CARES, email Executive Director **Kate Neary** at kneary@tulsacares.org or contact **Kate Neary** at **918.834.4194***
